Email: probizi13@gmail.com

We built WatchWalls AI to respect your privacy completely.

What we DO NOT collect

- No account or sign-in required
- No email, name, Apple ID, or any personal identifiers
- No photos from your library (unless you explicitly share one for AI generation, and it's never stored)
- No advertising ID, no precise location, no contacts

What we collect (minimal & anonymized)

- Device model and iOS/watchOS version → only to make wallpapers fit perfectly
- Anonymous usage stats (how many wallpapers viewed/generated) → via Apple's privacy-preserving analytics
- Crash reports → anonymized, via Apple

AI Generation

When you type a prompt:

- it is sent one-time to our third-party AI provider (Replicate / Stability AI)
- the text is deleted immediately after the image is created
- we never store your prompts or generated images

Payments

All purchases are processed 100 % by Apple. We never see or store your payment details.

Data storage & sharing

- We do not store any user data on our servers
- We do not sell, rent, or share any personal information with third parties
- Data may be disclosed only when required by law

Children

The app is not directed to children under 13 years old.

Changes

Any future changes will be posted at this address and, if significant, notified via App Store update.
